

CARON GALLERY ARTIST SUBMISSION GUIDELINES

Caron Gallery welcomes portfolios via email to submit for consideration. Before submitting materials, please familiarize yourself with our gallery to ascertain if your work is appropriate for the gallery. The gallery receives many submissions per year and we appreciate your patience. Do not call the gallery to follow-up on your submission. Upon review, the gallery will contact the artist if further information is required. Due to the high volume of submissions received, Caron Gallery will not provide individualized critiques.

PLEASE NOTE:

- We only represent Mississippi artists, you either have to have been born in MS, or have lived in MS for a period of 2 years or more to be considered.
- Walk-in submissions are not accepted.
- We do not, under any circumstances, grant in-person appointments, studio visits, or current exhibition visits unless images have been reviewed and found to be of interest to the gallery.
- Do not provide actual artwork.

Strict guidelines exist for your benefit and failure to follow procedure greatly inhibits the review process. The following guidelines help us to give your artwork the attention you desire.

SUBMIT RECENT WORK ONLY ACCOMPANIED BY:

- Title
- Complete Media List (ex. "Mixed Media" is too vague)
- Dimensions
- Retail Price
- Year Created
- List of gallery affiliations including past and current.

A web site address is acceptable but only if all submission guidelines are met. Please limit the total size of all e-mail attachments to under 5 MB. Please convert all images to JPEG format. Please limit the number of images you send to no more than 10 images. We will ask for more if we need them.
